TITLE	Signs with Smart Connectivity for Better Road Safety

The screenshot displays the Jira Software interface for a project named "Signs with Smart Connectivity for Better Road Safety". The main view is a Kanban board titled "SWSCFBRS board". The board is organized into three columns: "TO DO", "IN PROGRESS", and "DONE 7 ISSUES". A single issue, "SWSCFBRS-1", is currently in the "DONE" column. The issue's description is "The quality of experience when interacting with the application will be attained". The interface includes a sidebar on the left with navigation options such as "Board", "Roadmap", "Project pages", and "Project settings". The top navigation bar shows the Jira Software logo, the project name, and a "Create" button. A "Quickstart" button is visible in the bottom right corner.
